THE MAVERICK CLUB REMEMBERS

Robert A. "Bob" Burns

Robert A. "Bob" Burns died on Sept. 15, 2022, in the COVID unit of the VA Hospital in Albuquerque, New Mexico. He was born on Dec. 12, 1946, to A. C. Burns and Lillian Ruth Duncan Burns in Paris, Texas. Bob attained the Eagle Scout Rank as a youth and graduated from Paris High School.

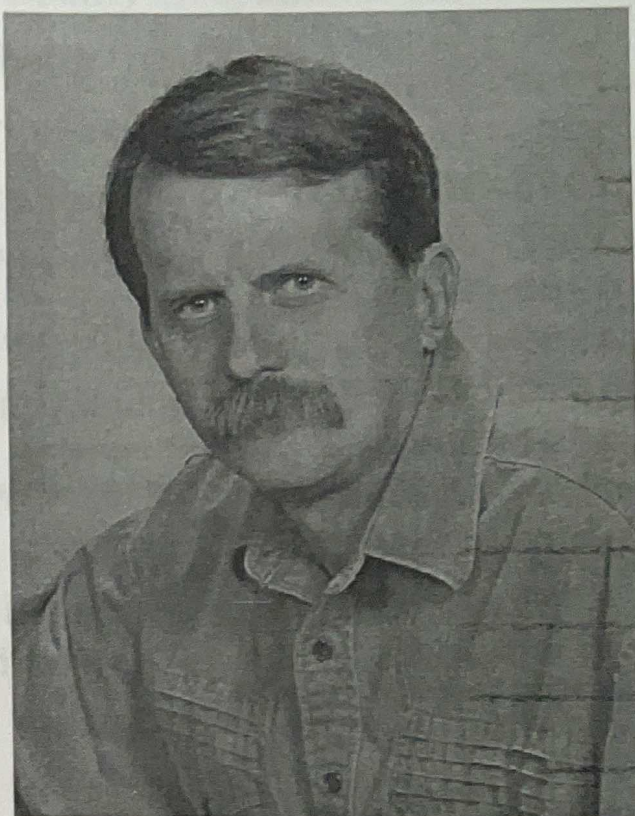

For four years after high school, he served in the United States Marine Corps with two combat tours in Vietnam, earning a Purple Heart and other citations. After returning from the war, Bob was a firefighter in Paris, Texas and was in the first group of certified state firefighters.

Deciding to use his GI Bill, he resumed his education, graduating from Paris Junior College and the University of Texas-Austin. He returned to Paris to be a superintendent with Texas Parks and Wildlife. During that tenure, he r the Texas Award of Valor.

In 1986 he was elected Lamar County Judge. He was a member of the Sons of Confederate Veterans, Masonic Lodge and several other veterans' organizations.

After moving to New Mexico, he became a member of Cimarron Masonic Lodge 29, serving as Worshipful Master. Over the decades he donated several collections of books, photos, letters and papers to libraries and museums.

He was a shrewd businessman, always trying to get the best end of a deal, but Bob was also a very generous man. He did plumbing and electrical work for people in Cimarron when he knew they could not afford to pay him.

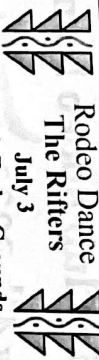

Bob served as the judge of the magistrate court in Cimarron for several years. Some entered his court with fear and trembling, as some of them should have. Others found a fair and compassionate administrator of justice.

"I'm a judge here in Cimarron," Bob said. --"Municipal- I deal with felonies. Domestic disputes. First offenses, I give them probation. I think probation is the most wonderful thing in the world. Someone comes before me for a first offense, I give probation. I tell them (and I say this to all of them), now the balls in your court. It's like ping pong or tennis. I hit the ball to you, now you hit it back to me. If they are smart, I will never see them again. But if they come back, I send them to jail."

One might be hard-pressed to single out one characteristic that made Bob's indelible mark on others. Part of the difficulty is because Bob was often a man of contradictions. The one facet of his personality that held no contradiction was his deep-seated love for Philmont and all of the Cimarron Country.

He was preceded in death by his parents; and his younger brother, Ronald Joe Burns. He is survived by Bradley D. Newberry (Stefani) son Matt Talley (Laurel), 5 grandchildren and a granddaughter who is on the way! Bob is also survived by his former wife of 35 years, Katie Bryant (and a few enemies who know who they are)!

Rest in Peace Bob!
